INVITATION

It is my pleasure to welcome you to the 13th Singapore International Chemistry Conference (SICC-13), taking place 7–11 December 2026 at the Suntec Convention and Exhibition Centre, Singapore. Hosted by the Singapore National Institute of Chemistry (SNIC), SICC-13 will bring together a global community across materials, organic, organometallic, inorganic, and biological chemistry under the theme “One World, One Chemistry.” We expect around 2,000 participants from academia, industry, and government.

The programme will feature outstanding plenary speakers, including Nobel Laureate Professor Richard Schrock (MIT and University of California, Riverside), Professor Peter Seeberger (Max Planck Institute), Professor Phil S. Baran (Scripps Research), Professor Tao Zhang (Chinese Academy of Sciences), Professor Zhenan Bao (Stanford University), and Professor Christopher J. Chang (Princeton University). Held in person, the conference will offer exceptional opportunities for direct engagement, collaboration, and community building within Singapore’s dynamic research and innovation ecosystem.

Chemistry is central to addressing global challenges. AI is accelerating discovery in reaction design, catalysis, molecular modelling, and materials informatics. Sustainable chemistry is transforming how we synthesise and manufacture responsibly. Advances in materials are enabling cleaner energy and smarter technologies, while progress in drug discovery and chemical biology is improving human health. Together, these frontiers highlight the impact we can achieve through cross-sector collaboration.

On behalf of the Organising Committee, I invite you to join us at SICC-13, and to partner with us as a sponsor or exhibitor. SICC-13 provides a strong platform to raise your profile, showcase innovations to an expert audience, and build strategic partnerships. This prospectus outlines branding, exhibition, and sponsorship options, and we would be pleased to tailor a package to your goals. We look forward to welcoming you to Singapore this December.

PROF LU YIXIN

Conference Chair, SICC-13
President, SNIC

INDUSTRY PROSPECTUS

SINGAPORE

Singapore, a dynamic island nation in Southeast Asia, stands as a leading example of how tradition and modern enterprise can coexist. Located at the southern tip of the Malay Peninsula, this global commercial hub is recognised for its impressive skyline, multicultural workforce, and strategically planned green environments.

Singapore is renowned for its resilient economy, world-class infrastructure, and consistent standards of safety, efficiency, and regulatory transparency. With its diverse culinary landscape, rich cultural foundations, and prominent destinations such as Marina Bay Sands, Sentosa Island, and Gardens by the Bay, the city attracts both international investors and talent.

Whether engaging with its established business districts or exploring its innovation-driven sectors, Singapore offers a compelling and forward-looking environment for companies and professionals alike.

SUNTEC SINGAPORE CONVENTION & EXHIBITION CENTRE

The Suntec Singapore Convention and Exhibition Centre (Suntec) stand at the nexus of Singapore's civic, cultural, and business districts, offering unmatched accessibility and sophistication. A short stroll connects delegates to iconic landmarks, premier hotels, and an abundance of dining and lifestyle amenities, while Changi Airport is just a swift 20minute transfer away. Designed for world class events, Suntec combines scale, flexibility, and service excellence to deliver a seamless delegate experience from arrival to closing session.

Widely celebrated as one of Asia's most awarded international venues and recognised by the World Travel Awards as the World's Leading Meetings & Conference Centre, Suntec has set the benchmark for design, technology, and operations. A comprehensive modernisation in 2012 introduced advanced, energy-efficient systems and smart, sustainable design features that enhance event quality while reducing environmental impact. Today, these investments underpin a venue that is as forward-looking as it is functional.

Suntec's commitment to Environmental, Social and Governance (ESG) principles is woven into every aspect of its operations. The team prioritises responsible resource management, community engagement, and partnerships that advance sustainability across the events ecosystem. As "The Preferred Place to Meet," Suntec pairs sustainability with hospitality in delivering operational excellence, elevated attendee comfort, and a conscientious footprint, making it an exceptional stage for convening global communities and shaping the future together.

ABOUT THE SINGAPORE NATIONAL INSTITUTE OF CHEMISTRY AND THE SINGAPORE INTERNATIONAL CHEMISTRY CONFERENCE

The Singapore National Institute of Chemistry (SNIC), founded in March 1970, is Singapore's national chemical society dedicated to serving and representing the country's chemical professionals. Established to advocate for local chemists and uphold professional standards amid a rapidly expanding cohort of university graduates, SNIC has evolved into a dynamic, forward-looking community. Today, our mission is to advance the chemical sciences in Singapore; harness chemistry for societal benefit and sustainable development; uphold rigorous standards of training and professional conduct; and promote public understanding and appreciation of chemistry.

The Singapore International Chemistry Conference (SICC), SNIC's biennial flagship, brings the global chemistry community together in person in Singapore to meet, engage, and collaborate. Now in its 13th edition, SICC provides a premier platform for researchers, professionals, and students to present cutting-edge work, build networks, and explore the latest trends and innovations shaping the field.

SPONSORSHIP & EXHIBIT OPPORTUNITIES

Partner with the 13th Singapore International Chemistry Conference (SICC-13) to showcase your organisation's leadership across materials, organic, organometallic, inorganic, and biological chemistry. As a partner, you will elevate your brand, deepen awareness among a global community of researchers and practitioners, and directly support the development of the next generation of scientific leaders.

The SICC-13 offers a suite of high impact opportunities including speaking packages, advertising options, and onsite engagement, to meet a range of visibility and business objectives. Explore the options on the following pages and contact our Partnerships Manager to tailor a package that aligns with your goals. Together we create meaningful impact for the chemistry community and your brand.

7-11 December 2026

13th Singapore International Chemistry Conference

INDUSTRY PROSPECTUS

CONFERENCE LANYARD CONTRIBUTOR (EXCLUSIVE)*

SGD 18,000

- All delegates will receive a name badge and lanyard to be worn for identification during the Conference. As the Exclusive Sponsor of the lanyards, you will have your logo on all lanyards (provided by Conference Secretariat) along with the Conference logo.
- 1 complimentary conference registrations

MUST SEE WALL

SGD 3,000

Your brand will be included on the huge, front-of-show. "Top 15 Must See Exhibitors" wall. It comprises the company logo, with information on your stand location.

REGISTRATION AREA (EXCLUSIVE)*

SGD 10,000

Headline the front of the event with your company logo at the registration area.

MOBILE APP (EXCLUSIVE)*

SGD 15,000

The onsite mobile application will be provided to delegates free of charge and will be available for most iOS and Android mobile devices. The mobile app will include the full program, the exhibit floorplan including exhibitor biographies, and general Conference, venue and local information. Timely updates about any programme changes or important announcements will be sent through the app via notification alerts.

As the exclusive sponsor of the Mobile App, you will:

- Have your logo and 50-word write-up displayed in a Sponsored App Section
- Have the opportunity to have one (1) pinned Promoted Message + one (1) push notification per day
- Have a banner ad displayed at the bottom of the home app page

RECHARGE LOUNGE (EACH)

SGD 8,000

A recharge lounge allows delegates to recharge their electronic devices for free. These stations will be in high demand and will be placed in the Exhibit Hall at highly visible positions.

As the Supporter of a Recharge Lounge, you will:

- Have signage on the Charging Station featuring your organisation's name and logo
- Have the opportunity to place promotional material in designated areas within the Recharge Lounge

PRODUCT SHOWCASE (EACH)

SGD 8,000

As the sponsor of a Product Showcase, you will:

- Have the opportunity to position one custom free-standing banners at the entrance
- 20 minutes of programme for Product Showcase
- Basic audio-visual package to include: screen, micro-phones, etc
- Catering is not included in the fee. Catering (bento box) is available to be selected in addition to the Product Showcase fee.
- Session information listed in the program and on the website with company recognition.
- Sponsor is responsible for all other session marketing.
